

Hello Alder Grove Families,

Ah, Spring...as of the time I wrote this, we're getting plenty of rain and there's snow on the mountains. I hope this precipitation can help quench a thirsty California! I always appreciate the time change and later light...I can sometimes get a rare hike in after work when I'm lucky.

CAASPP Testing: We cannot thank you enough for bringing your students in for testing. We realize this isn't the most fun activity we offer, but it's essential to the well-being and continuation of our amazing school. The state puts so much pressure on us to test ALL of our students and the consequences of not doing so through AB 1505 is the eventual denial of charter renewal and the closure of the school. Week two of CAASPP testing will take place from April 3 - April 7. There will be NO ON-CAMPUS CLASSES during Week Two of testing. If you were unable to bring your student in during our scheduled testing weeks, please make a plan with your CT to bring them the week of April 17th. State testing sessions will feature enhanced PBIS rewards, school-provided meals, and other fun things. We appreciate that you care about Alder Grove and *all of the students we serve! It takes teamwork...*

Governance Council: Would you be interested in helping plan the future of the school? *We need new members to fill 1 vacancy. Meetings are Tuesday mornings at 10:30. If you're interested, please call Jenifer Doane at 707-268-0854. We really appreciate our current GC members: David Turner, Sarah Weltsch, Geri Emberson, and Matt Wilton. They continue to make wise decisions while always considering what is best for our students, families, and our school. We couldn't do it without you all...*

Home Tests for Spring Break: We have plenty of home COVID tests for you to use before spring break travel, if you have symptoms, before you return to school after spring break, etc. Come and get them in the front office! We appreciate your diligence and for keeping our students and staff safe.

Prom: I can't wait to see you high school students at our prom! The dance is May 13th at the Wharfinger from 7-9 pm. See more info in the newsletter about procuring tickets and other details.

Class Drop Off/Pick Up: Thank you so much for dropping your students off no more than 10 minutes before their classes start and picking them up no later than 10 minutes after classes end. This really helps our staff to monitor students for safety as well as contributes to smooth transitions between classes. We appreciate it!

I can't believe how close we are to the end of the school year AND a summer break. I know I can speak for our staff and teachers when I say how much we appreciate you choosing Alder Grove Charter School and supporting our shared vision of flexible personalized learning and parent choice.

I hope you have a relaxing spring break and please stay safe and healthy!

Tim Warner, Director

ALDER GROVE CHARTER SCHOOL HOURS OF OPERATION: 8:30am—4:30pm

Library Hours: 9am—4pm

No appointment needed, but please check in at the front desk.

Graduation information has been mailed.

High School graduates don't forget to turn in your grad forms by April 3rd. Send your senior portraits to yearbook@aldergrovecharter.org by April 28th.

Space is limited to 10 guests for each graduate for both the High School and 8th Grade graduation ceremonies. Contact your CT for questions regarding graduation.

AFFORDABLE CONNECTIVITY PROGRAM

WHAT IS IT?

The Affordable Connectivity Program is an FCC program that helps connect families and households struggling to afford internet service.

The benefit provides:

- Up to \$30/month discount for internet service;
- Up to \$75/month discount for households on qualifying Tribal lands; and
- A one-time discount of up to \$100 for a laptop, desktop computer, or tablet purchased through a participating provider.

WHO IS ELIGIBLE?

A household is eligible for the Affordable Connectivity Program if the household income is at or below 200% of the Federal Poverty Guidelines, or if a member of the household meets at least one of the criteria below:

- Participates in any of the following assistance programs: SNAP, Medicaid, Federal Public Housing Assistance, Veterans Pension or Survivor Benefits, SSI, WIC, or Lifeline;
- Participates in any of the following Tribal specific programs: Bureau of Indian Affairs General Assistance, Tribal TANF, Food Distribution Program on Indian Reservations, or Tribal Head Start (income based);
- Participates in the Free and Reduced-Price School Lunch Program or the School Breakfast Program, including through the USDA Community Eligibility Provision;
- Received a Federal Pell Grant during the current award year; or
- Meets the eligibility criteria for a participating broadband provider's existing low-income internet program.

TWO STEPS TO ENROLL

1

Go to **AffordableConnectivity.gov** to submit an application or print a mail-in application

2

Contact your preferred participating provider to select an eligible plan and have the discount applied to your bill.

Some providers may have an alternative application that they will ask you to complete.

Eligible households must both apply for the program and contact a participating provider to select a service plan.

Blue Ox is offering Classes!

Take hands on workshops and classes in traditional arts.
Email shawn.blueox@gmail.com to schedule

Blacksmithing

Learn the ways of the Blacksmith. Creates objects primarily from wrought iron or steel, but sometimes from other metals, by forging the metal, using tools to hammer, bend, and cut! Available Tuesdays

Stained Glass

Learn how to make your very own pieces of stained glass. Through out history stained glass has been used. Learn to cut, style and create glass works of art! Available Mondays

Ceramics

Learn about wedging clay and rolling it out on the slab roller. Then lay leaves or material to create a texture on one side. After that there are several things you can make using the textured slab of clay and some slump molds. Available Wednesdays

BLUE OX
— HISTORIC VILLAGE —

MEAL PROGRAM / WELLNESS POLICY

Breakfast AND lunch are FREE for all Alder Grove students.

No application is required.

Come join us daily in the meal service area.

Breakfast begins at 9:50 am Monday-Thursday,
and at 9:35 am Friday.

Lunch begins at 12:40 pm Monday-Thursday (hot lunch) and
12:00 pm Friday (cold lunch).

For information about our meal program,
school wellness policy, and more, please visit our website
at aldergrovecharter.org.

SPRING TESTING UPDATE!

Hello Students and Families,

For our 3rd-8th and 11th grade (and some 12th grade) families, Spring CAASPP is fully underway. If you haven't read Tim's note about the high stakes of testing all eligible students, new laws impacting charter renewal have made it more critical than ever to test **all of our eligible students**. *I am not exaggerating when I say that the future of our school depends on our students' participation in CAASPP!*

Please mark your calendars with the following dates:

April 3 - April 7: Week Two of CAASPP testing will take place from April 3 - April 7. **There will be NO ON-CAMPUS CLASSES during Week Two of testing.**

REMINDER: A link to the CAASPP practice tests is available on the Alder Grove website under Quick Links. Please consider sitting down with your student and going through each practice test TOGETHER. You can help your student will benefit from getting better acquainted with the testing platform and the type of questions that will be on these assessments. You can find an answer guide here: <https://www.caaspp.org/ta-resources/practice-training.html>.

Thank you in advance for helping us achieve 100% participation in state mandated testing!

ATTENTION SENIORS!

The [FAFSA](#) FREE Application for Federal Student Aid opened October 1, 2022. These first come, first served funds that you do not have to pay back is your ticket to reduced university costs, as well as the TWO free years of community college.

Registration for CR Spring Classes Opened December 6, 2022. Students must have a CR application and a current 2022-2023 Concurrent Enrollment Form on file to register.

We have lots of help for students applying to college. Please make an appointment with our college and career counselor: <https://calendly.com/jen-burtram/college-and-career-counselor-meeting>

Please contact jenburtram@aldergrovecharter.org if you have any questions!

PBIS UPDATE

Positive Behavior Interventions and Supports (PBIS) during CAASPP Testing

When you bring your students in for statewide testing, notice the new colorful PBIS posters around our school that make our school expectations clear. Thank you Tony and the PBIS Committee for all of your hard work in making such beautiful, clear posters. In addition to the posters, we'll be working to create a positive environment for your students while they work on these mandatory state assessments by providing:

Bark Bucks: This year students will earn a bronze Bark Buck worth 3 regular Bark Bucks upon completion of the CAASPP (and CAST for high school students). In addition, upon receiving test scores from the state at the beginning of the next school year, students will earn bronze, silver, gold, and platinum bucks for improvement over last year's scores. Students, be sure to do your best! More info to come...

Well-Stocked Bark Bucks Store: We will also enhance stock in the Bark Bucks Store for more fun shopping upon completion of testing. There will be snacks, toys, stickers, and more!

Nutritious School Meals: We will be providing students breakfast, a snack, and/or lunch depending on their testing schedules. This not only contributes to the positive climate during testing, but also ensures that no student is testing while distracted by hunger.

Thank you so much for supporting state testing, our PBIS program, and Alder Grove Charter School!

PBIS Committee Members: Nichole Dollarhide, Director of Special Services and School Psychologist; Tim Warner, Director of Alder Grove Charter School; Stefani Gambrel, Assessment and Academic Support Coordinator; Becky Garraway, Class Coordinator and Classroom Aide; Cedar Smith, Credentialed Teacher (CT) and On-campus Class Teacher; Crystal Collins, School Psychologist; Tony Persico, Instructor and Campus Monitor; Luana Nelson, SPED/Vendor Relations Secretary; Jasper Severn, Math Proficient Lunch Lady.

PBIS Vision Statement: Our PBIS Committee will work to improve school climate by creating a safe, respectful, and inclusive environment at Alder Grove with the goal of increasing positive social, emotional, and academic outcomes.

PBIS BOOK OF THE MONTH: MARCH

Do you spend hours on end playing video games? Do marathon gaming sessions cause you to lose much-needed sleep? Have your grades suffered as a result of neglecting schoolwork in favor of more game time? Has your physical health declined due to extended periods of inactivity? Have you tried unsuccessfully to limit the time you spend playing? Gaming can be a fun, challenging, and rewarding activity, but when it begins to interfere with other essential aspects of life, it might be time to set some limits.

The Gaming Overload Workbook will help you explore your use of video games in a thoughtful, nonjudgmental way. This isn't a workbook for giving up on gaming. This is a guide to help you set your own limits on screen time, and apply your interest and enthusiasm for gaming to a wider variety of activities, like connecting with friends and family, excelling in school or sports, and just spending more time outdoors.

If you're ready for some healthy balance between gaming, school, family, physical activity, and social relationships, this book will provide the key to winning at the game of life!

Click here for more information: <https://www.newharbinger.com/9781684035519/the-gaming-overload-workbook/>

ALDER GROVE

CAL POLY FIELD TRIP

Our students had a great time at Cal Poly learning about all the different programs, clubs, and student supports CPH and CR have to offer. We had 8 high schoolers attend the trip. Thank you to Holly and Kim for all of your support on the trip! And thank you to Jen for putting it on my radar and helping me get things organized!

CONGRATULATIONS TO LOGEN DUHEM

Logen has been selected as an honorable mention in this year's California Coastal Art & Poetry Contest for their poem, Morning Tide. Logen will be receiving a recognition certificate and official letter soon.

Logen's poetry will be published in the May issue of Chapman University's online poetry journal *Tab: A Journal of Poetry and Poetics*.

Morning Tide

Whales dive deep as they wake from sleep
The sun rises slowly over dune shadows lowly
Birds soar overhead, always the first out of bed
Over the smooth soft sand, the gentle breeze plays like a band

Look what has washed ashore, rinsed and tumbled more and more

Strands of kelp, broken shell, polished stones and even bones

Salty spray as winds blow playfully, enjoy a day made so beautifully

CONGRATULATIONS TO LEVI DUHEM

Levi's painting of a Chestnut-backed Chickadee (right) was judged to be a Third Prize winner for Grades 5&6 in the 20th annual Student Bird Art Contest.

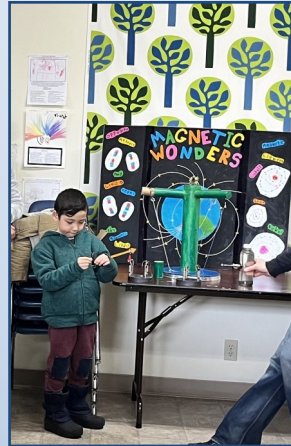

This event is co-sponsored by Redwood Region Audubon Society (RRAS) and Friends of the Arca-ta Marsh (FOAM), in conjunction with the Godwit Days Spring Migration Bird Festival.

There were over 650 entries received this year, so his award is even more meaningful!

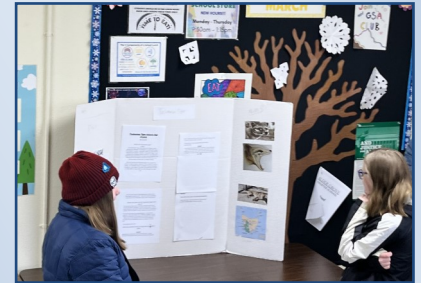

SCIENCE FAIR

We had another great year of science with our school science fair!!

We had 3 great students participate, with 2 projects presented!! Thank you to Nicholai Payne (1st grade) for sharing your findings related to magnets and magnetic force!

Thank you Juliet Moran (7th grade) and Lily Glass (6th grade) for sharing your research on the Tasmanian Tiger and the efforts being made to bring it back from extinction!

Thank you also to everyone who attended as an audience member. It is so fun and inspiring to watch our students learn and develop strong science skills!!!

TESI

Technology Exploration Summer Institute
An Education at Work Initiative

Explore Tech Careers!
June 20 - July 14 at College of the Redwoods

TESI is a free four week summer education program that provides local high school students* the opportunity to explore career fields in Information and Communication Technologies (ICT).
*Space is limited, priority may be given to graduating Seniors.

Covered topics to include:
Introduction to ICT • IT Concepts and Terminology • Infrastructure Applications & Software • Software Development
Database Fundamentals • Security • and more!

Visits to local worksites will be included in this opportunity

<https://hcoe.org/tesi>
Apply by Friday, April 7

TRADES DAY

A DAY FOR CONSTRUCTION CAREER EXPLORATION

INVEST IN THE NEXT GENERATION OF THE CONSTRUCTION INDUSTRY!

CIE Foundation

In Partnership With:
humboldt lake del norte mendocino **TRADES ACADEMY**
an Education @ Work Initiative

APR 27, 2023
8:30 AM - 12:30 PM
REDWOOD ACRES FAIRGROUNDS

Schools, youth groups & individual students are invited to register for a two hour block starting from 8:30am until 12:30pm.

Students will go through a five minute safety talkgate talk upon their arrival before they enter the exhibition halls.

Trades day is designed to introduce high school youth to a variety of career opportunities in the industry including general construction, sub-contracting, suppliers, heavy equipment, engineering, as well as other related trades.

We encourage trade, industry and post-secondary education, and training program partners to participate and inspire local students to build a career in construction. Bring a hands-on activity for students to engage in that will allow students to learn how to build something with their hands, how to use a tool or piece of equipment and explore all the industry has to offer. Take part in an exciting opportunity to pass along the things that excite you about your work.

FOR MORE INFORMATION PLEASE VISIT TRADESDAY.ORG OR CONTACT BRITTANY ALBAUGH AT BALBAUGH@CIE.FOUNDATION OR 916.465.8341.

FINANCIAL LITERACY CONFERENCE IN SAN FRANCISCO

College and Career with Financial Literacy (GS7) teacher Brooke Sayre, recently attended a conference in San Francisco of Personal Finance educators hosted by Next Generation Personal Finance (NGPF). NGPF is a non-profit dedicated to bringing Financial Literacy to all students in this country and the world. In addition to networking with other teachers, Brooke attended many great sessions about everything from Project-Based Learning to Racism in Finance, and also heard a presentation from State Superintendent of Schools, Tony Thurmond about a current bill to make Personal Finance a graduation requirement in California. It is nice to see that Alder Grove has been a state leader in bringing this knowledge to our students! Brooke is passionate about teaching students these important life skills and excited to bring what she learned back to our school.
