

Educational Records and Student Information

I. Definitions

A. Education Record

An education record is any written or computerized document, file, entry, or record containing information directly relating to a student that is compiled and maintained by the School. Such information includes but is not limited to:

1. Date and place of birth; parent and/or guardian's address, and where the parties may be contacted for emergency purposes.
2. Grades, test scores, courses taken, academic specializations and school activities;
3. Special education records;
4. Disciplinary records;
5. Medical and health records;
6. Attendance records and records of past schools attended;
7. Personal information such as, but not limited to, student identification numbers, social security numbers, photographs, or any other type of information that aids in identification of a student.

An education record does not include any of the following:

1. Records that are kept in the sole possession of the maker, are used only as a personal memory aid, and are not accessible or revealed to any other person except a temporary substitute for the maker of the record;
2. Records maintained by a law enforcement unit of the School that were created by that law enforcement unit for the purpose of law enforcement;
3. Records relating to a School employee that are made and maintained in the normal course of business, relate exclusively to the individual in that individual's capacity as an employee; and are not available for use for any other purpose;
4. Records on a student who is 18 years of age or older, or is attending an institution of postsecondary education, that are:
a) made or maintained by a physician, psychiatrist, psychologist, or other recognized professional or paraprofessional acting in his or her professional capacity or assisting in a paraprofessional

capacity; b) made, maintained, or used only in connection with treatment of the student; and c) disclosed only to individuals providing the treatment. For the purpose of this definition, "treatment" does not include remedial educational activities or activities that are part of the program of instruction at the School; or

5. Records that only contain information about an individual after he or she is no longer a student at the School.

B. Directory Information

Part of the education record, known as directory information, includes personal information about a student that the School may make public with written consent of the parent or guardian as detailed in Section II. Directory information includes a student's name, address, telephone listing, date and place of birth, major field of study, participation in officially recognized activities and sports, weight and height of members of athletic teams, dates of attendance, degrees and awards received and the most recent previous educational agency or institution attended by the student.

C. Parent

Parent means a parent of a student and includes a natural or adopted parent, a guardian, or an individual acting as a parent in the absence of a parent or a guardian.

D. Eligible Student

Eligible student means a student who has reached 18 years of age.

II. Disclosure of Directory Information

At the beginning of each year, the School shall provide parents and eligible students with a notice containing the following information: 1) The type of personally identifiable information it designates as directory information; 2) The parent's or eligible student's right to refuse to let the School designate any or all of those types of information about the student as directory information; and 3) The period of time within which a parent or student has to notify the School in writing that he/she does not want any or all of those types of information about the student designated as directory information. The notice shall be in the registration materials. Within 10 days of receiving notice, any parent(s) who does not want his/her child's directory information made public without prior written consent must inform the School in writing. This parental notice must identify what student directory information (any or all) is subject to the prior written consent requirement.

III. Annual Notification to Parents and Eligible Students

At the beginning of each school year, in addition to the notice required for directory information, the School shall provide parents and eligible students with a notice of their rights under FERPA. The notice shall inform the parents and eligible students that they have the right to:

- Inspect and review the student's education records;
- Seek amendment of the student's education records that the parent or eligible student believes to be inaccurate, misleading or otherwise in violation of the student's privacy rights;
- Consent to disclosures of personally identifiable information contained in the student's education records, except to the extent that FERPA and the Code of Federal Regulations authorize disclosure without consent; and
- File with the Department of Education a complaint concerning alleged failures by the School to comply with the requirements of FERPA and its promulgated regulations.
- Request that the School not release student names, addresses and telephone listings to military recruiters or institutions of higher education without prior written parental consent.

The notice must also include the following:

- The procedure for exercising the right to inspect and review educational records;
- The procedure for requesting amendment of records;
- A statement that the School forwards education records to other agencies or institutions that have requested the records and in which the student seeks or intends to enroll.
- The criteria for determining who constitutes a school official and what constitutes a legitimate educational interest.

IV. Parental and Eligible Student Rights Relating to Education Records

Parents and eligible students have the right to review the student's education records. In order to do so, parents and eligible students shall submit a request to review education records in writing to the director of the charter school. Within 10 days, the School shall comply with the request. If circumstances effectively prevent the parent or eligible student from exercising the right to inspect and review the education records, the School will provide the parent or eligible student with a copy of the requested records or make other arrangements for inspection and review of the requested records.

A. Copies of Education Records

The School will provide copies of requested documents within 10 days of a request for copies. The School will charge reasonable fees for copies it provides to parents or eligible students, unless it effectively prevents a parent or eligible student from exercising the right to inspect and review the education records. The charge will not include a fee to search for or to retrieve the education records.

B. Request for Amendment to Education Records

If upon review, a parent or eligible student discovers any information or notation that is factually inaccurate, misleading or in violation of the student's right of privacy, he or she may request, in writing, that the School amend the record. The request must be submitted within thirty (30) days of the discovery of the inaccurate or misleading information or a violation of the student's right of privacy. The School will respond within ten (10) days of the receipt of the request to amend. The School's response will be in writing and if the request for amendment is denied, the School will set forth the reason for the denial and inform the parent or eligible student of his or her right to a hearing challenging the content of the education record.

C. Hearing to Challenge Education Record

If the School denies a parent or eligible student's request to amend an education record, the parent or eligible student may request in writing that he/she be given the opportunity for a hearing to challenge the content of the student's education records on the grounds that the information contained in the education records is inaccurate, misleading or in violation of the privacy rights of the student.

The hearing to challenge the education record shall be held within 30 days of the date of the request for a hearing, notice of the date, time and place of the hearing will be sent by the School to the parent or eligible student no later than 20 days before the hearing.

The hearing will be conducted by the council president. Legal council will be present as needed. The parent or eligible student will be given a full and fair opportunity to present evidence relevant to the issues relating to the challenge to the education record. The parent or eligible student may also, at their own expense, be assisted or represented by one or more individuals of his/her choice, including an attorney. The council president's decision will be based solely on the evidence presented at the hearing. Within 30 days of the conclusion of the hearing, the School's decision regarding the challenge will be made in writing and will include a summary of the evidence and the reasons for the decision.

If, as a result of the hearing, the School decides that the information is inaccurate, misleading or otherwise in violation of the privacy rights of the student, it will amend the record accordingly and inform the parent or eligible student of the amendment in writing.

If, as a result of the hearing, the School decides that the information in the education record is not inaccurate, misleading or otherwise in violation of the privacy rights of the student, it shall inform the parent or eligible student of the right to place a statement in the record commenting on the contested information in the record or stating why he/she disagrees with the decision of the School, or both. If the School places a statement by the parent or eligible student in the education records of a student, it will maintain the statement with the contested part of the record for as long as the record is maintained and disclose the statement whenever it discloses the portion of the record to which the statement relates.

V. Disclosure of Education Records and Directory Information

The School must have a signed and dated written permission from the parent or eligible student before releasing any information from a student's education record with the exceptions listed

below and for directory information. With the exceptions listed below, the School will not release educational records to any person or entity outside the School without the written consent of a parent or eligible student. The written permission must specify the records that may be disclosed, the purpose of the disclosure and the party or class of parties to whom the disclosure may be made. When disclosure is made pursuant to written permission, the parent or eligible student may request a copy of the disclosed records. Signed and dated written consent may include a record and signature in electronic form if it identifies and authenticates a particular person as the source of the electronic consent and indicates such person's approval of the information contained in the electronic consent.

The School will only disclose personally identifiable information on the condition that the receiving party not disclose the information to any party without the prior consent of the parent or eligible student and that the receiving party use it for the purposes for which the disclosure was made. This restriction does not apply to disclosures that fall within the disclosure exceptions listed below and the School maintains the appropriate records, as described below. Except for disclosures pursuant to a judicial order or lawfully issued subpoena, of directory information or to parents or eligible students, the School will inform a receiving party of the requirement that the party not disclose the information to any other party without the prior writing consent of the parent or eligible student and that the receiving party use it for the purpose for which the disclosure was made.

The School will disclose education records, without consent, to the following parties:

- a. School employees who have a legitimate educational interest as defined by 34 C.F.R. Part 99;
- b. Other schools to which a student seeks or intends to enroll;
- c. Certain government officials listed in 20 U.S.C. § 1232g(b)(1) in order to carry out lawful functions;
- d. Appropriate parties in connection a student's application for, or receipt of, financial aid to a student if it is necessary to determine eligibility, amount of aid, conditions for aid or enforcing the terms and conditions of the aid;
- e. Organizations conducting certain studies for the School in accordance with 20 U.S.C. § 1232g(b)(1)(F);
- f. Accrediting organizations in order to carry out their accrediting functions;
- g. Parents of a dependent student as defined in section 152 of the Internal Revenue Code of 1986;
- h. Individuals who have obtained lawful court orders or subpoenas;
- i. Persons who need to know in cases of health and safety emergencies;
- j. State and local authorities, within a juvenile justice system, pursuant to specific State law.
- k. A victim of an alleged perpetrator of a crime of violence or a non-forcible sex offense. The disclosure may only include final results of the disciplinary proceedings conducted by the School with respect to that alleged crime or

offense. The School may disclose the final results of the disciplinary proceeding, regardless of whether the School concluded a violation was committed.

1. Contracted data and financial services as approved by the board

VI. Record Keeping Requirements

The School will maintain a record of each request for access to and each disclosure of personally identifiable information from the education records of each student for as long as the records are maintained. For each request, the record must include the following information: the parties who have requested or received the information and the legitimate interests the parties had in requesting or obtaining the information.

For disclosures of personally identifiable information to institutions that make disclosures of the information on behalf of the School in accordance with 34 C.F.R. 99.33(b), the record must include the names of the additional parties to which the receiving party may disclose the information on behalf of the School and the legitimate interests that each of the additional parties has in requesting or obtaining the information.

These record keeping requirements do not apply to requests from or disclosure to parents and eligible students, School officials with a legitimate purpose of inspecting the records, a party with written consent from the parent or eligible student, a party seeking directory information, or a party seeking or receiving the records as directed by a court order or subpoena.

The records relating to disclosures of personally identifiable student information may be inspected by parents and eligible students, School officials (or their assistants) responsible for the custody of the records, and parties authorized by regulations for the purpose of auditing the recordkeeping procedures of the School.
