

Alder Grove Charter School On-Campus Expectations and Discipline Policy

Alder Grove seeks to improve the school climate by creating a safe, respectful and inclusive learning environment. Our goal is to increase positive social, emotional and academic outcomes.

In order to ensure a safe, friendly, and educational environment for all of our students, these guidelines should be followed:

- Come to class on time, with an attitude of readiness and a willingness to participate (virtual students should enable cameras).
- Use Study Hall and Math Lab time to work on schoolwork only.
- Treat each other and adults respectfully, including listening to and following staff and teacher directions the first time.
- Use kind, respectful language and positive conversations that are appropriate for a classroom environment.
- Use all classroom materials correctly and respect school and classmates' property.
- Be safe on school campus by walking, cleaning up after meals, staying clear of vehicles in the parking lot, and using the designated seating in the picnic area.

If a student refuses to cooperate or otherwise disturbs the learning environment for others, the parent may be called to pick up the child.

Teachers and Administration will determine an appropriate consequence if a student continues to disregard these expectations. Possible outcomes include:

- Meeting with the student and/or parent/guardian.
- Developing a specific behavior plan.
- Suspending the privilege of attending on-campus or virtual classes and labs.

Reminder: According to CDPH & the Humboldt County Public Health Dept., masks are required while students and parents are inside the school building.

Guardian and student signatures below indicate that these expectations have been discussed and are understood.
