

A-G Completion Improvement Grant Plan

Local Educational Agency (LEA) Name	Total Grant Allocation
Alder Grove Charter School	\$150,000

Plan Descriptions

A description of how the funds will be used to increase or improve services for foster youth, low-income students, and English learners to improve A-G eligibility

The school will use funds to increase or improve services for foster youth, low-income students, and English learners to improve A-G eligibility by purchasing more independent study A-G curriculum, providing A-G focused professional education to teachers, issuing teacher stipends for creating online and paper-based curriculum and courses, submitting more courses to the A-G portal for approval, and encouraging students to complete the A-G requirements. The school will measure the impact of A-G Completion Improvement Grant by increasing the number of students who complete the A-G requirements. These funds will also be used for A-G course-specific tutoring and other academic supports.

A description of the extent to which all students, including foster youth, low-income students, and English learners, will have access to A-G courses approved by the University of California.

Students will be able to take A-G courses through independent study course work, online options, or classes on campus. Students will have access to all physical traditional book curriculum as well as online courses using school-issued technology as needed.

The number of students who were identified for opportunities to retake A-G approved courses in which they received a "D", "F", or "Fail" grade in the 2020 spring semester or the 2020-21 school year and a description of the method used to offer the opportunity retake courses.

Number of Students:

After a transcript review, teachers will provide opportunities for their students who received a "D", "F", or "Fail" grade in the 2020 spring semester or the 2020-21 school year to retake the courses.

A description of how the plan and described services, and associated expenditures, if applicable, supplement services in the Local Control and Accountability Plan and Learning Recovery Plan.

More curriculum and course options that support differentiated learning and academic support opportunities like A-G specific tutoring will supplement and support our LCAP Goal 3 of increasing our A-G completion rates and enable more students to be career/college ready at graduation.

Plan Expenditures

Programs and services to increase or improve A-G completion	Planned Expenditures
Provide access to Pre-AP courses at school classes or online.	\$3000
Provide 5 days of teacher and/or administrator professional development to obtain AP certification	\$12,000
