Year Long Classes:

If your student is currently enrolled in year long classes, they still need to register for the 2nd semester. They will not lose their spot in their classes, but registration forms are still required.

Dropping a class:

Classes may be dropped at any time in the first two weeks after classes begin. Any student who drops a class after the first two weeks will be charged the full class price for the semester. Please discuss with your CT if you need to drop a class.

Adding a class after classes begin:

Any student adding a class after classes begin will first need to communicate with their CT in order to see if there is space. Many classes are filled fast and have long wait lists. Please do not add a class without approval.
